July Top Tips

If partner leads a low card in one suit, gets in and shifts to a low card (showing strength) in another suit, partner wants a return in the second suit. If partner shifts to a high card in the second suit, he is asking for a return in the first suit. Got it?

At a suit contract holding Axx facing xxx and the suit is led, it is usually right to win the second round of the suit.

If one of the opponents has a doubleton, you cut the communications between the two hands. It is also right to duck when dummy has xx and you have Axx(x). Ducking allows you to keep control of the suit. Do the same when dummy has Axx(x) and you have xx. Take the second trick with the ace. This assumes you have no place to put these losers.

Duplicate Etiquette at BAND—Play Nice!

MANNERS ARE IMPORTANT Greet your opponents at the beginning of the round and smile! At the end of the round, they are still your friends...

DEALER ETIQUETTE It is poor etiquette to pull a bidding card before everyone has sorted their hand.

SILENCE IS GOLDEN Conversation stops when you remove your hand from the board.

THINK BEFORE YOU TOUCH Once you have decided on a bid in your mind, then choose the bid from the box. Don't let your fingers do your thinking!

TIME IS OF THE ESSENCE Once the auction is complete, make your opening lead and table the dummy before you write the contract in your private score.

Remember to lead face down!

WHAT HAPPENS IN THE CURRENT ROUND...STAYS IN THE CURRENT ROUND Once the round is finished, you may then discuss hands from the current round. Refrain from discussion between hands. Hands from previous rounds should not be discussed during game.

SNAPPING OF YOUR CARDS IS FROWNED UPON And your cards don't like it either!

YOUR MOTHER'S RULE If you can't say something nice, don't say anything at all! Mind your own business ~ No contributing to opponents' conversation.

HAVE FUN! At the end of the day, we are all here to meet new friends and to have a good time.
