

# Evening EZ Pass

## For Our Evening Duplicate Players

---

With BAND's new frequent play program, anyone wishing to play duplicate in the evening more than twice a month will be able to save money. The more you play, the more you save.

With an EZ PASS you can play in any of the three Open pairs, 2500er pairs, 299er pairs or 49er pairs for the entire month for \$25.00.

EZ PASS is just \$25.00 per month for BPMs. Non-BPM \$40. If you do the math, anything more than that two evening games a month saves you money!

To register for EZ Pass...See a BAND Team Member. You will receive an EZ Pass to present to the director each time you play.
