At notrump, South leads. N/S must take three tricks against any defense. Answer next week.

Welcome to the new BAND E-Newsletter. The BAND team hopes everyone had a restful weekend and are ready to jump into June with all of the exciting special events at BAND this month.

The NAPs begin this month. This is a great opportunity to win those red points you need to climb up the rankings. [Sign Up!](#)

This Thursday will be the last Jackpot game of the season which means someone must win the \$225. Closest actual score to the computer generated score will win. [Sign Up!](#)

Once a year, the World-Wide Simultaneous pairs is offered at clubs. BAND is hosting both events this year. The hand analyses booklets are well worth playing in the event. [Sign Up!](#)

With the change of the Triple Points in July, BAND has redesigned our games: Triple Points is Open Pairs; NSS+ is Intermediate; and NSS is Newcomer. Get your points while you can!

Introduction lessons begin this week. Please send your non-bridge playing friends a note! The schedule is linked above.
